Job Description			
<p>ROLE AND RESPONSIBILITIES</p> <p>Role: Moriches Field Brewing Company is looking for Assistant Brewer to join our brewing family in Center Moriches. This is a part time position with a start-up brewery that will grow as the brewery grows. The position may become full time in the future. Compensation will be at an hourly rate plus a share of tips from the tasting room. Our ideal candidate is responsible, creative and will contribute in meaningful ways to growing the business. We expect that you will grow as we do. The candidate must have a flexible schedule with the occasional weekend shift. A basic understanding of brewing or fermentation science is a must.</p> <p>You will assist in the operation of a unique electric 6-barrel single vessel system that dramatically accelerates and simplifies our brew day. Our system can split batches into 3 and 6bbl batches and as a result we have multiple 3/6 bbl fermenters and brite tanks. Beer will be sold on site as well as distributed.</p> <p>DUTIES AND RESPONSIBILITIES INCLUDE, BUT ARE NOT LIMITED TO ASSISTING THE HEAD BREWER WITH:</p> <ul style="list-style-type: none"> • Ensuring Quality and Integrity of Our Beer • Assisting Master Brewer brewing beer according to recipe specifications • Assisting with prep work, including milling, mashing, boiling, cooling, transferring and packaging Beer • Keeping the facility clean and functional • Performing any necessary maintenance, including equipment inspection • Completing accurate paperwork as needed • Working with the master brewer/owner to make adjustments and improve processes in the brew house • Keg Tracking and Monitoring • Raw Material Inventory and Handling • Representing Moriches Field Brewing Company at various events, festivals and promotions. • Following all brewery and MFBC policies and procedures and follow current developments in local, state, and federal laws applicable to the service of alcohol, safe food handling, health standards etc. • Assist with labeling all kegs and other packaged product in accordance with federal and state law using appropriate keg collars, labels and date codes. • Reporting all equipment problems to the head brewer/owner. 			

- Assisting with ensuring the entire brewing facility including brewery, tanks, mill, counters, equipment, sinks, supplies, packaging line, shelving and storage areas are clean and comply with established sanitation standards, personal hygiene, and health standards at all times. Make recommendations to head brewer/owner for maintenance, repair and upkeep of facility and all equipment.
- Cleaning, cleaning, and cleaning
